

Retreat into the Jungle

- Do you feel bogged down with obligations and wracked by guilt?
- Do you feel like everyone else's demands are dominating your life and zapping your energy?
- Do you feel like something keeps draining the wind from your sails?
- Do you feel discouraged and tempted to give up on your dreams?
- Do you feel unsupported or misunderstood when it comes to your needs, desires and vision?

What drives women is very different than what drives men. Women are driven and perform at their best when they are experiencing their unique contribution or purpose, while men are primarily driven to achieve and accomplish. Women thrive on support, excitement and encouragement. What we can do with the right support in our lives is TREMENDOUS! We are at our best when we are grounded, centered and spiritually connected to our dreams and aspirations.

Women are conditioned to support everyone in our lives, and we feel guilty for having needs or wanting "more." We often deny ourselves the things we need most: to nurture our spirits, put ourselves first, and create space in our lives to experience fulfillment. We forget that everybody else in our lives will benefit when our needs for fulfillment are being met!

Jane in the Jungle's Retreat into the Jungle is designed to be a one day getaway in Houston, Texas, to give you what you need most: A renewed sense of purpose and possibility, support for your dreams, time to relax and be pampered, and to receive from other women the love, attention, excitement, connection and validation you need to reclaim your life and to go for what you want.

In this powerful women-only workshop, you will:

- Reconnect with your meaningful contribution to the world, your inherent value and your sense of purpose in your life,
- Gain clarity, strength, courage and a fresh perspective to help you experience abundance and move toward the life you are craving to lead,
- Experience fun, excitement, enthusiasm and support for creating a lifestyle that matches your dreams for your life, and
- Find permission to think bigger, be bigger and play bigger so you can manifest all that you were meant to be in the world!

We hope you will join us for this
exquisite Saturday getaway!
